ABOUT US

CV. Trijaya Makmur is a reputable company specializing in the wood industry, established in 2010 in Bekasi, Indonesia. Over the years, we have grown significantly and expanded our operations, now operating a state-of-the-art production facility located at Jalan Swadaya II No. 88, Narogong, Kel. Bojong Menteng, Kec. Rawa Lumbu, Bekasi Timur.

As a leading wood manufacturer, CV. Trijaya Makmur is committed to delivering the highest quality products to our customers. We continuously adapt to industry advancements, innovate our product offerings, and utilize modern machinery to ensure consistency and excellence in every product we create. Our product range includes premium Finished Products such as Flooring, Decking, E2E and E4E. We are specializing in Merbau wood. The quality of our wood products is evident in their durability, strength, and aesthetic appeal, making them ideal for enhancing any space. All our wood is sourced from legally harvested forests, ensuring sustainability and ethical practices in our production process.

With 15 years of experience, CV. Trijaya Makmur has built a strong reputation for excellence and reliability. Our dedication to customer satisfaction has allowed us to serve in international markets, with clients in countries such as Germany, France, Polandia, Australia, and China. At CV. Trijaya Makmur, we are proud to combine tradition with innovation, delivering top-tier wood products that meet the needs of our diverse clientele. We look forward to continuing our journey of growth and excellence, providing the best service and products to our valued customers worldwide.

MESSAGE FROM THE PRESIDENT DIRECTOR

Dear Valued Customers and Partners,

My name is Linjun, and as the President Director of CV. Trijaya Makmur, it is my privilege to lead a company that has been a trusted name in the wood industry for over 15 years. Since our establishment in 2010 in Bekasi, we have grown steadily, expanding our operations and investing in modern machinery to ensure that we consistently deliver high-quality wood products to meet the evolving needs of our customers.

At CV. Trijaya Makmur, we take great pride in our commitment to excellence. From sourcing legally harvested wood from sustainable forests to producing premium Finished Products such as Flooring, Decking, E2E and E4E. we strive to maintain the highest standards in every step of our process. Our dedication to innovation and quality has allowed us to build strong relationships with clients internationally, including in Germany, France, Polandia, Australia, and China.

I believe that our success lies in our ability to adapt to industry trends while staying true to our core values of integrity, quality, and customer satisfaction. As we move forward, we remain committed to providing exceptional products and services that not only meet but exceed your expectations. Thank you for your continued trust and support. We look forward to serving you and building a lasting partnership for years to come.

Warm regards,

Linjun

Director, CV. Trijaya Makmur
